

Clean big with the Clean Machine® by SIMPSON®! This fully assembled compact gas pressure washer is light-weight, easy to store, and provides a powerful pressure washing experience. Just set up and you are ready to clean. The Clean Machine features a (50-State compliant) KOHLER® SH Series engine paired with an OEM Technologies™ axial cam pump. The fully assembled pressure washer steel frame is powder-coated for corrosion resistance. This compact gas-pressure washer will allow easy access to hard-to-clean areas.
