

SIMPSON's portable generators are perfect for providing power at work sites, recreational facilities, residential location, and more. Many are equipped with a foldable handle for ease of mobility and storage. Their heavy-duty roll cage frames provide durability and protection for the generator. Whether tailgating before a game, charging tools at a construction site, or providing backup power for your home, rely on SIMPSON® for your power needs. Equipped with a (50-State compliant) CRX® 225 with a low oil shutdown feature.
