

The WS5050H Water Shotgun® is easy to use and designed for the deepest of cleaning. Perfect for paint preparation, professional cleaning services, graffiti removal, industrial job sites, and fleet maintenance. Equipped with a (49-State compliant) HONDA® engine with an electric start. The heavy-duty COMET industrial triplex plunger pump is designed with ceramic pistons and thermal relief valves for long life. Its dual-belt system separates the engine and pump, preventing overheating and pump fatigue, resulting in greater efficiency and greater longevity in the engine and pump life.
